4. The requirement for local governments to produce a Statement of Financial Activity was gazetted in March 2005 to provide elected members with a greater insight in relation to the ongoing financial performance of the local government.
5. Additionally, each year a local government is to adopt a percentage or value to be used in Statements of Financial Activity for reporting material variances. Variations in excess of \$50,000 are reported to Council.
6. These financial statements are still subject to further yearend adjustments and have not been audited by the appointed auditor.

*"Please note that rounding errors may occur when whole numbers are used, as they are in the reports that follow. The 'errors' may be \$1 or \$2 when adding sets of numbers. This does not mean that the underlying figures are incorrect."*

## STATUTORY IMPLICATIONS

7. Section 34 of the *Local Government (Financial Management) Regulations 1996* provides:
- (1) A local government is to prepare each month a statement of financial activity reporting on the source and application of funds, as set out in the annual budget under regulation 22 (1)(d), for that month in the following detail –

    - (b) budget estimates to the end of the month to which the statement relates;
    - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relate

  - (2) Each statement of financial activity is to be accompanied by documents containing –
    - (a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
    - (b) an explanation of each of the material variances referred to in sub regulation (1)(d); and
    - (c) such other supporting information as is considered relevant by the local government.
  - (3) The information in a statement of financial activity may be shown –
    - (a) according to nature and type classification;
    - (b) by program; or
    - (c) by business unit
  - (4) A statement of financial activity, and the accompanying documents referred to in sub regulation (2), are to be –
    - (a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and
    - (b) recorded in the minutes of the meeting at which it is presented.

## POLICY IMPLICATIONS

8. The City's 2014/15 Annual Budget provides a set of parameters that guides the City's financial practices.
9. The Investment of Surplus Funds Policy stipulates that the status and performance of the investment portfolio is to be reported monthly to Council.

## FINANCIAL IMPLICATIONS
