LGA comments: The City of Albany is supportive of this project for the following reasons:

The club has maintained its facilities well over the past 30 years and held its membership at a steady rate.

A dedicated group of volunteers have maintained the facilities and range to high standard. It looks cared for and well used. The kitchen has simply reached the end of its life and requires refurbishment.

With the recent closure of the Swanbourne Facility the club has been identified as an alternate venue to host significant state shooting events and the refurbishment of the kitchen will assist with hosting these events, but more importantly refurbishment of the kitchen will support the club's local activities and make it easier for the many volunteers who support the club and service to the Albany community.

The club has sufficient funds/volunteer support and has planned the project well. It is worthy of support.
