

## Supply of Mobile Garbage Bins Policy

### Objective

To provide residential City of Albany property owners with clear direction regarding the supply of Mobile Garbage Bins.

### Policy Statement

Residential property owners are required to purchase and provide their own mobile garbage bins (MGBs) to participate in the kerbside waste collection service.

The City of Albany does not supply or facilitate the supply of MGBs to residential property owners.

### Scope

This policy applies to all new or existing residential property in respect of the supply of MGBs.

### Legislative and Strategic Context

Annual Budget Review

### Review Position and Date

This policy was approved by the Executive Management Team on 6 March 2012.

This policy and procedure is to be reviewed every two years.

### Associated Documents

Information and documents that have a bearing on this policy can be sourced from the City of Albany's website at: <http://albany.wa.gov.au>
