

## Environmental Impact Assessment Policy

### Objective

This policy and associated procedure aim to minimise the environmental impacts that could be caused by works carried out on City controlled land, and ensure compliance with legislative and statutory requirements (including International, Federal and State Government legislation and policies).

### Policy Statement

City of Albany will ensure works are conducted in a manner that minimise the environmental impact on land vested in the care and control of the City of Albany.

### Scope

The Environmental Impact Assessment Procedure is to be implemented during the planning stage of any works proposed by City of Albany staff, contractors, other Government departments or members of the community on City controlled land. Works to be assessed include new, upgrade and maintenance works.
