

# BULK HARD & GREEN WASTE COLLECTION 2025

The City of Albany provides verge collections for households with a kerbside bin service.

This year, the City is conducting a combined **Bulk Hard Waste and Bulk Green Waste Collection**.

Households with a kerbside bin collection can place up to 6x4 trailer size (or two cubic metres) for collection. Place your waste on the verge no more than 7 days prior to your zone start date.
