LANDMARKS & LANEWAYS

EXPLORE ALBANY'S LANDMARKS & LANEWAYS IN 2024

The streets of Albany are riddled with history, heritage, fables and facts, and in April 2023, the City of Albany launched a new interactive platform and accompanying trail booklet called Landmarks & Laneways.

Delivered in the lead up to the 2026 Bicentenary, the platform brings together Albany's historic buildings, streets and public art into one, easy to access and convenient hub for everyone to enjoy.

Designed as a map to be used online or as a hard copy, the locations within the publication include York Street, Stirling Terrace, Collie Street, Grey Street, Brunswick Road and Earl Street with many more in between.

Each location hosts a number of iconic heritage listed buildings with details of their history and interesting old tales that have lasted the test of time. From two-dollar fines for wearing hairpins at the Town Hall to the amphibious man at Albany's Town Baths.

Celebrating this project, the 2024 Community Calendar features several of the locations included along the trail and encourages you to find out more about these locations.

The interactive digital platform can be accessed at albany.wa.gov.au/landmarksandlaneways or a physical copy of the booklet containing this information is available for purchase through the Albany Visitor Centre and The Forts Store.

LANDMARKS & LANEWAYS WAS SUPPORTED BY THE AUSTRALIAN GOVERNMENT'S REGIONAL ARTS FUND.
