Little Grove Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scooting to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

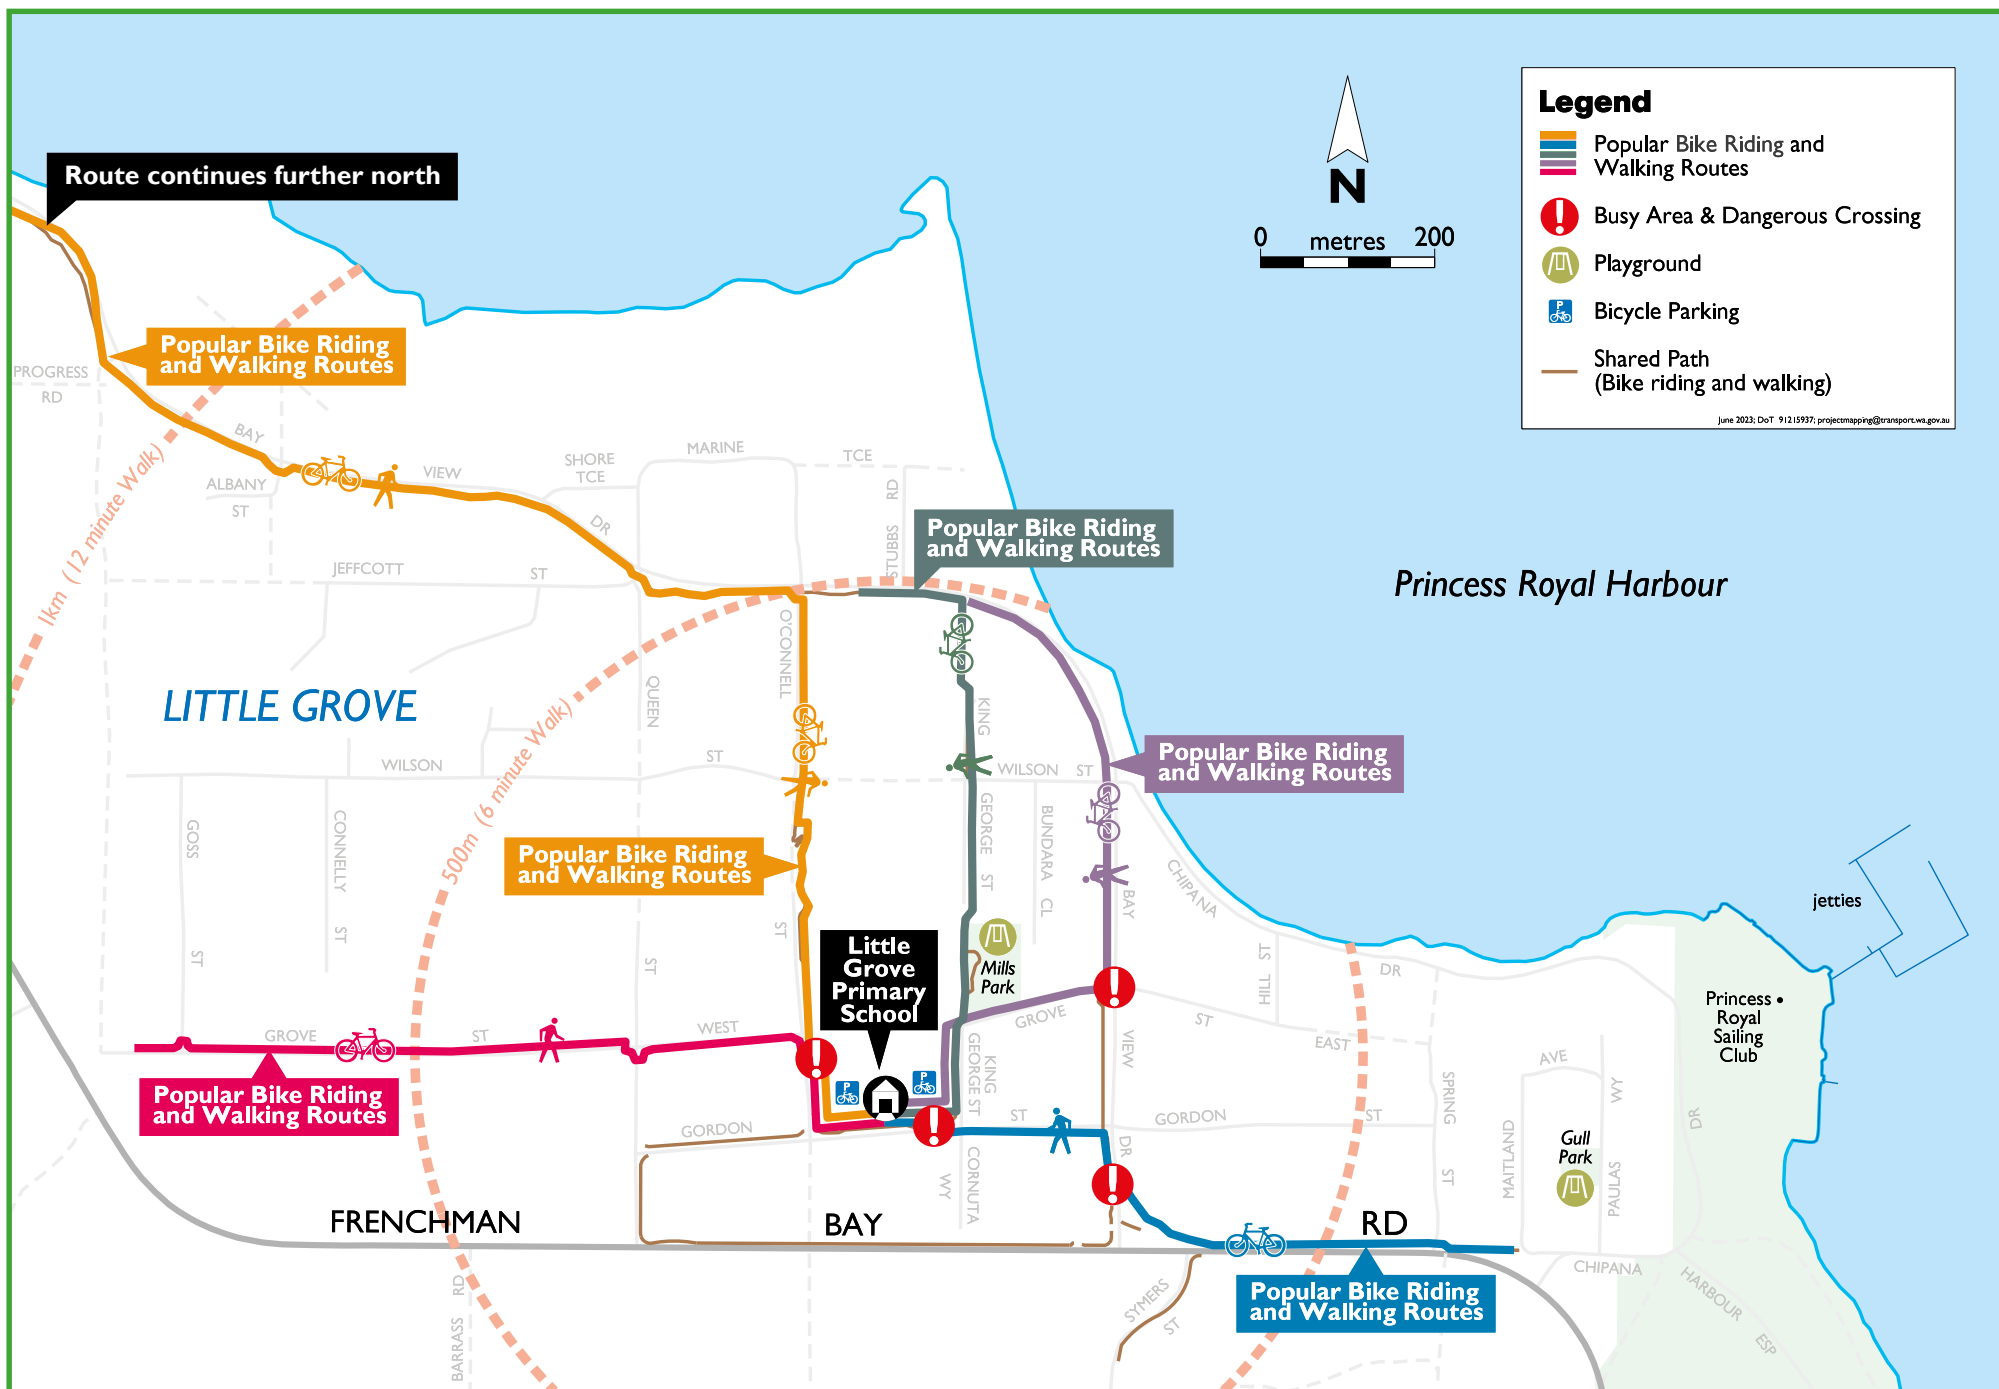

"This year, I started riding my bike to and from school by myself. I love riding my bike to school because it is fun, and I get to meet my friends in the afternoon to ride home." **Elliott Year 4**

"I ride to school most days and it's good for my fitness and health. I ride to school because I like the challenge of riding down steep hills." **Alister Year 5**
