MARINA CONCEPT

The City recognises that parking is at a premium at the Marina and that at peak times it can become congested. We have prepared plans which show three possible ways that additional parking can be provided, and we would like to hear what you think.

1. Tell us what you like about Boat Ramp Parking Option 1:

.....

.....

.....

2. Tell us what you like about Boat Ramp Parking Option 2:

.....

.....

.....

3. Tell us what you like about Boat Ramp Parking Option 3:

.....

.....

4. Is there any element of either options that you think is essential?

.....

.....

.....

.....

5. Is there any element of either options that you don't support at all?

.....

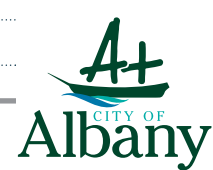

.....

.....

.....
