

# THIS IS LETITIA.

## MANAGER FACILITIES.

### HERE ARE SOME OF THE WAYS LETITIA HELPS YOU CONNECT WITH YOUR CITY.

#### COMMUNITY INVOLVEMENT

Albany Regional Daycare often welcome residents of local aged care facilities into the Centre to interact with the kids through sing-a-longs, arts and crafts and other activities. If your aged care facility would like to pay the Daycare a visit, give Letitia a call.

#### SUSTAINABLE EDUCATION

Letitia and the team at the Daycare make sure the children that attend the Centre practice recycling, cleaning and caring for the environment. This helps to promote sustainable living at home too!

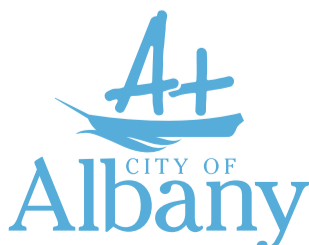

#### STUDENT PLACEMENT

The team at the Daycare are always welcoming students studying early childhood education into their rooms, they love to support our future educators.

#### PRE-PRIMARY PREPARATION

Letitia and her team work to ensure your child is ready for their big leap into pre-primary by providing numerous educational experiences to help them grow and develop.
