

THIS IS JULIE.

WASTE SUSTAINABILITY OFFICER.

HERE ARE SOME OF THE WAYS JULIE HELPS YOU CONNECT WITH YOUR CITY.

COMMUNITY WORKSHOPS

From compost and worm farms to upcycled timber pallets, Fossicker's Community Workshops can help you find practical ways to reduce waste.

CITY OF ALBANY APP

Not sure what goes in which bin or what day your kerbside collection is? Download the City of Albany App for information updated by Julie's team.

HOUSEHOLD HAZARDOUS WASTE

Don't chuck your batteries and chemicals in the bin! Bring batteries, fire extinguishers, paint, smoke detectors and more to the team at Fossicker's Tip Shop for safe disposal and recycling.

GREEN FAIR ON THE SQUARE

Celebrate all things recycled, upcycled, green and sustainable every November at Green Fair on the Square put on by Julie and her team.

LANDFILL DISCOUNT

See the waste team and donate items to Fossicker's Tip Shop to receive a discount when you visit the landfill in the same visit.
