

THIS IS SCOTT.

MANAGER BUILDING, HEALTH & COMPLIANCE

HERE ARE SOME OF THE WAYS SCOTT HELPS YOU CONNECT WITH YOUR CITY.

EFFLUENT DISPOSAL

Effluent and grey water disposal can create health risks and degrade the environment. Scott's team helps you choose the right system to suit your site and meet health requirements.

FOOD BUSINESSES

Scott's team helps guide you through the process of opening a food business to ensure the food you serve the public is handled safely and hygienically.

POOL FENCES

There are strict requirements around fencing pools to prevent drownings. Scott's team can help you ensure your fence complies.

MOSQUITO CONTROL

Mosquitos are a public health risk. Scott's team can share ways you can help Fight the Bite and stop mosquitos from breeding in your backyard.

BUILDING SERVICES

Building or demolishing? Erecting a sign? Rules and regulations apply and Scott's team will help you get the necessary approvals to proceed.
