Unless the City identifies an asset as exempt from this for community purpose, the City will endeavour to clean, remove or cover all graffiti on buildings, fences and structures that are within or constitute boundaries of all reserves under the care and control of the City, including but not exclusively parks, reserves, public access ways and road reserves.

- Educate the community about illegal graffiti,
- Lessen the negative financial and social impact of illegal graffiti, and
- Reduce the fear of crime in the community.

The City's Graffiti Management Policy will be implemented focusing on the following fundamentals:

- Regular inspections and removal of graffiti on City assets as soon as possible
- Explore "graffiti initiative's" to assist the community removing graffiti off private residences;
- Promoting the "Goodbye Graffiti" website for the community to report graffiti;
- Promote reporting of graffiti to the local police by the community; and
- Provide community notice boards in key area for the display of community information.

To assist the community reducing graffiti occurrences, the City will endeavour to educate the community on the following areas:

- **Target hardening** - Making it difficult for the graffiti vandals to damage property by utilising anti-graffiti paints or climbing plants on walls and fences.
- **Rapid removal** - The sooner graffiti is removed from property the less chance of being targeted again.
