

2.27 Supply of Mobile Garbage Bins Policy

Policy Owner	Executive Director Infrastructure, Development and Environment
Responsible Officer	Manager Operations
Date of Approval	06/03/2012
Amended/Revised	07/11/2024

Objective

To provide residential City of Albany property owners with clear direction regarding the supply of Mobile Garbage Bins.

Scope

This policy applies to all new or existing residential property in respect of the supply of MGBs.

Policy Statement

Residential property owners are required to purchase and provide their own mobile garbage bins (MGBs) to participate in the kerbside waste collection service.

The City of Albany does not supply or facilitate the supply of MGBs to residential property owners.

Legislative and Strategic Context

Annual Budget Review.

Review Position and Date

This policy was approved by the Executive Management Team on 6 March 2012 and is to be reviewed every two years.

Associated Documents

Information and documents that have a bearing on this policy can be sourced from the City of Albany's [website](#).

Definitions

- **MGB** – mobile garbage bin that is collected by or on behalf of the City of Albany by a waste collection contractor. This includes a 140-litre domestic waste bin (blue bin), 240-litre recycling bin (yellow-lidded bin) and 240-litre green waste bio-insert bin (green bin).

- **Residential Property Owner** – property on which exists a residential dwelling.
