A Plan to Conserve and Enhance

Message from the Mayor, Dennis Wellington

"We all love Albany's Mount Clarence and Mount Adelaide. This is a special place for everyone, filled with so many stories and memories for Albany and for Australia.

There are many things to explore, and right in the centre of our City. It's a place of fun, culture, history, beauty and legacy.

The City of Albany wants to preserve and manage the Mounts well, so everyone can continue to enjoy it now and into the future.

Our working vision is outlined in the Mounts Master Plan, and the Council wants to know what you think of it! Tell us what's important to you about the site, what you would change and what you love."

The City of Albany values the community's thoughts and is seeking feedback on the project vision and the Master Plan's draft strategies, projects and initiatives.

To complete this survey please read in conjunction with the Mounts Master Plan Summary Document, which can be found on the City of Albany website. A hardcopy can be viewed at the advertised information sessions, City of Albany North Road Reception or Albany Public Library. On completing the survey you will be invited to register your interest in attending a workshop, where you can provide additional comment, suggestion and ideas for the project.

If you answer all questions, this survey should take 10-15 minutes. Your survey will be kept in confidence and used for data collection only.

Each completed survey will go into a draw for a \$100 voucher to a local business of your choice. *
